Lead can cause health problems, especially in children.
Lead services offered by the Michigan Department of Health and Human Services will help protect your household from lead exposure.

You may be eligible for these free or low-cost lead services:

A home lead inspection

Testing for lead in drinking water

Fixing lead hazards

The Michigan Department of Health and Human Services will not exclude from participation in, deny benefits of, or discriminate against any individual or group because of race, sex, religion, age, national origin, color, height, weight, marital status, gender identification or expression, sexual orientation, partisan considerations, or a disability or genetic information that is unrelated to the person's eligibility.
